DISTRICT OF DELAWARE  
2007 JUN 27 PM 3:24

**ORDER**

At Wilmington this 27 day of June, 2007, plaintiff, Dorian Wainer, having been ordered on May 17, 2007, to complete and return an authorization form within 30 days from the date the order was sent or the case would be dismissed, and instead responding to the order by asking that he be allowed to make payment directly to the clerk of the court (D.I. 6);

IT IS ORDERED that, on or before **July 20, 2007**, plaintiff shall show cause why he did not submit the authorization form as ordered in the court's May 17, 2007 order so that the agency (i.e., Sussex Correctional Institution) having custody of him can forward payments from his prison account to the clerk of the court, and why he should be relieved of the statutory requirements under 28 U.S.C. § 1915(b).
